2024 – 2025 Tryout Registration

Travel tryout registration is open to players U8 and up. Tryout registrations #'s determine if an age group has enough players to field one team, multiple teams &/or require a tryout. Please upload/update the player picture when registering, a headshot for their player card. Returning players, please register using your existing account. New players can create an account then register.

Tryout registration will close Monday April 15, 2024. Tryouts will be the last week of April, for teams that require a tryout. Players not registered for the tryouts will only be accepted to a team if space is available.

Registration for the 2024 – 2025 season will open after tryout registration closes. We'll send an email to the parents of accepted players. Registration must be completed by May 31 to guarantee your spot on the team.
